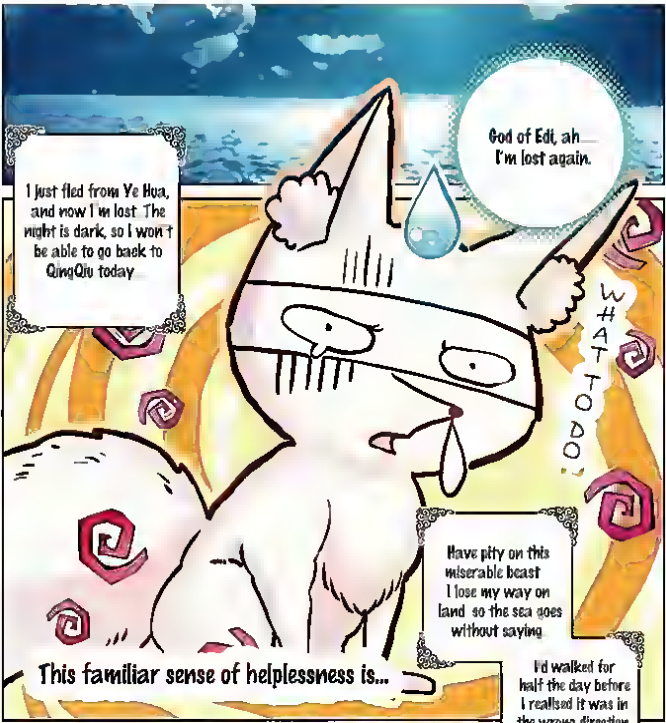
INSTAN LOVE

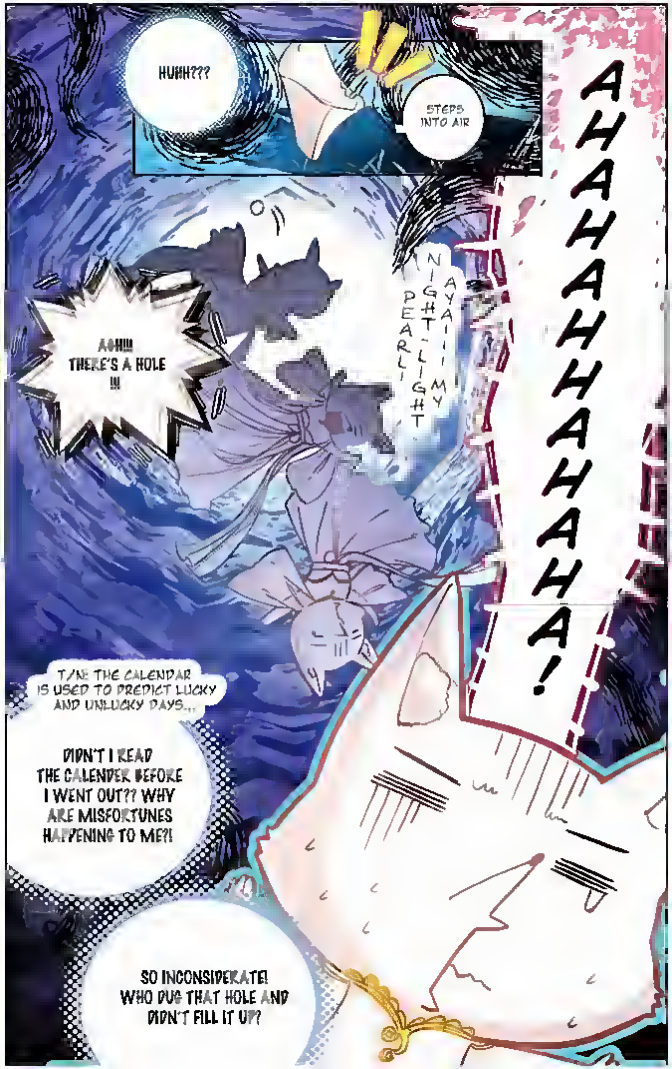


God of Edi, ah... I'm lost again.
I just fled from Ye Hua, and now I'm lost. The night is dark, so I won't be able to go back to QingQiu today.
WHAT TO DO!
Have pity on this miserable beast I lose my way on land, so the sea goes without saying.
This familiar sense of helplessness is...
I'd walked for half the day before I realised it was in the wrong direction and I was totally lost!

Should I trace the original road and get someone to bring me back to QingQiu?

NONONO! I CAN'T GO BACK!!! It'll be crazy embarrassing if I bump into Yehua again!

It's quite warm in the day, but it's bitterly cold at night.
SNEEZE SNEEZE
Although it's not as fine as ZheYan's forest, those trees are tall and strong, and there are layers of foliage under it
!!
There are some woods here. It's better than nothing.
呐嚏
It's not bad to be used against the wind. Using it to shade the light isn't that bad either...
Heck, it's so dark that I can't even see my five fingers
In the least I have to find a place to settle for tonight. I'll plan tomorrow



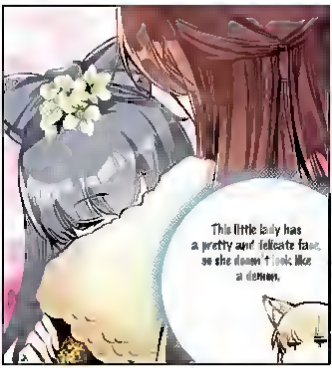
AHAHAHAHAHA!
HUHH???
STEPS INTO AIR
AYAI! MY NIGHT-LIGHT PEARL!
AGHH! THERE'S A HOLE !!!
T/N: THE CALENDAR IS USED TO PREDICT LUCKY AND UNLUCKY DAYS...
DIDN'T I READ THE CALENDER BEFORE I WENT OUT?? WHY ARE MISFORTUNES HAPPENING TO ME?!
SO INCONSIDERATE! WHO DUG THAT HOLE AND DIDN'T FILL IT UP?

I've lived for so long and haven't seen anything earth-shattering yet, so getting stuck in a hole doesn't mean anything
Calm down. Calm down. Since you're already here, you might as well be at peace.
I heard Fourth Brother and ZheYan say there was a lone peak in the Eastern mountains.
And at its foot lived a beautiful demon that unfortunately fell in love with a human on the path of immortality
Which brought up a whole chain of love and hate, hence not only destroying his own spirituality but also sacrificed the lives of all in the mountain.
SFX: BRUSH!
If fate would allow it and send me it to Fourth Brother to take care of his bird,
Fourth Brother said the story was a warning to younger generations of immortals. The hole here seems similar to the one in the book.
AYA!!!
I hit the ground so quickly!
And with my face too!

Luckily I found you
Ah?

The spell cast sky is filled with a bright moon and little stars.
The scene is beautiful, and it's even a little larger than Pa and Ma's fox den.
The kiosk on the water also has a unique elegance.
I wonder who the owner is?

AH... I JUST BUMPED INTO SOMEONE'S SWEET MOMENT. PLEASE EXCUSE MY RUDENESS. I HOPE I WON'T SCARE THEM.
I've sinned



This little lady has a pretty and delicate face, so she doesn't look like a demon.

Ah, she saw me.

DON'T BE SCARED
Passionate youngsters meeting a stranger abruptly is always embarrassing.

Luck is always so tricky-
Over the distance of the pond, the man turns his head.

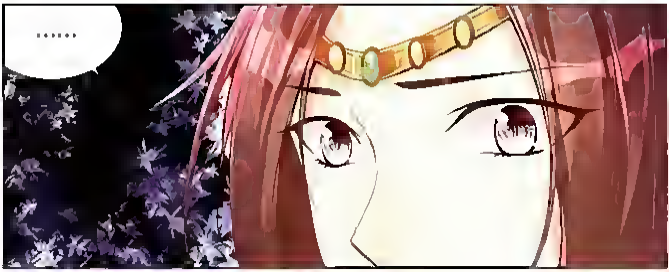
But this glance
!!
Makes me feel like I've been poured over with boiling oil on a hot summer day, sticky and shocked.

IS IT REALLY...
IS IT REALLY YOU?

AH YIN.

IT'S REALLY YOU.
TOUCHES

RECOILS



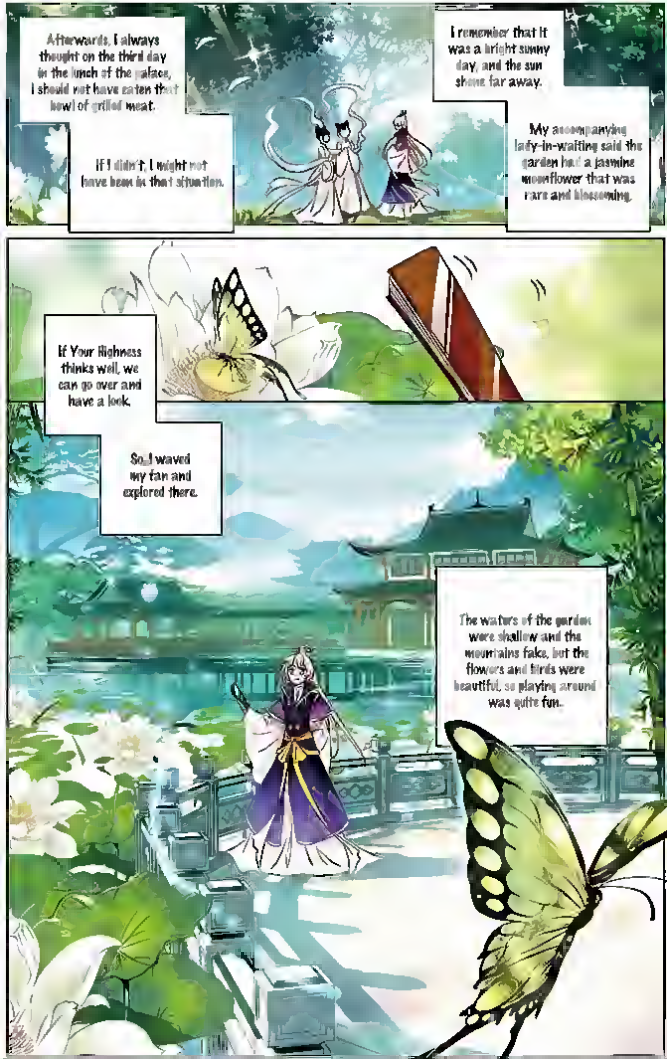
.....

OH...
IT'S THE GHOST MONARCH OF THE PARTING MIRROR.
THE OLD ME AND YOU HAVE ALREADY BROKEN APART AND I'M NO LONGER IN A RELATIONSHIP OF THE CALLED AH YIN ANYMORE
PLEASE HAVE YOURSELF CALL ME BY MY TITLE.
AH YIN,
YOU HID FROM ME FOR SEVENTY THOUSAND YEARS. YOU INTEND TO CONTINUE AVOIDING ME?

HMPH...
Your tone is sincere like you cannot see my regret.
Our relationship is damaged so terribly that it's better to avoid each other rather than to meet.
And yet he can still say such words out loud.

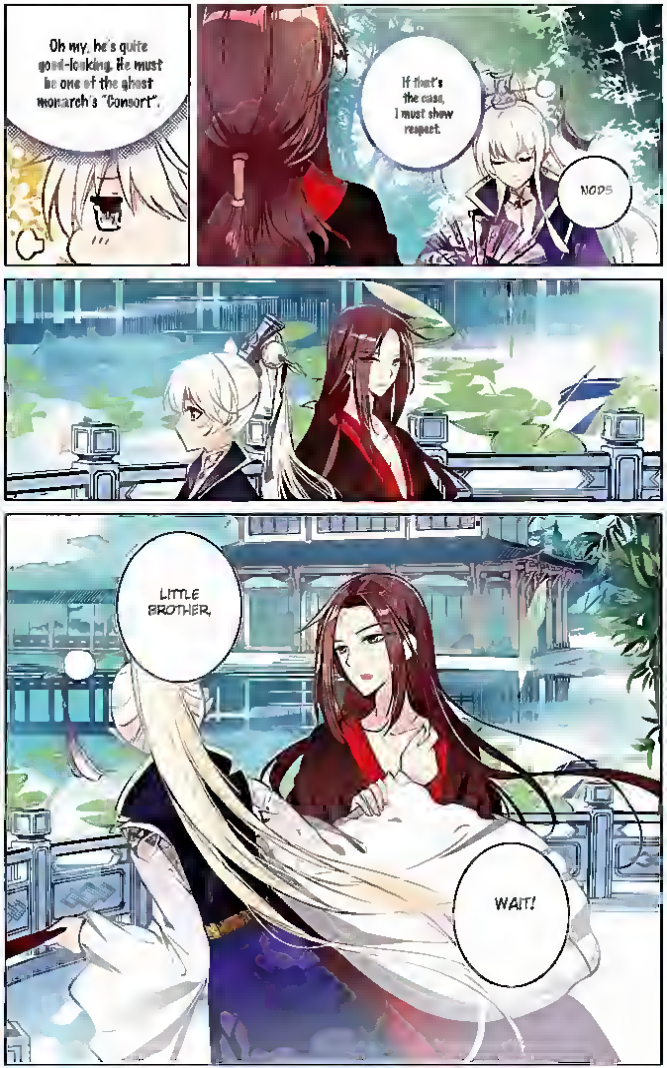
Seventy thousand years isn't a long time, but not a short while either.
The famine of the land and sea's twentieth circle had come together seventy thousand years ago.

When I was five, I went to learn at the Academy MuoYuen seat does not accept female disciples
T/N: THE INK RIVER
So mother cast a spell on me to have a male body and a fake name SiYin.
One day, the former ghost monarch Fan Wei went out hunting and was attracted by North Shixiong (disciple) and wanted to make him as his queen.
At that time, we were in the same place, unluckily tied up and brought back together.



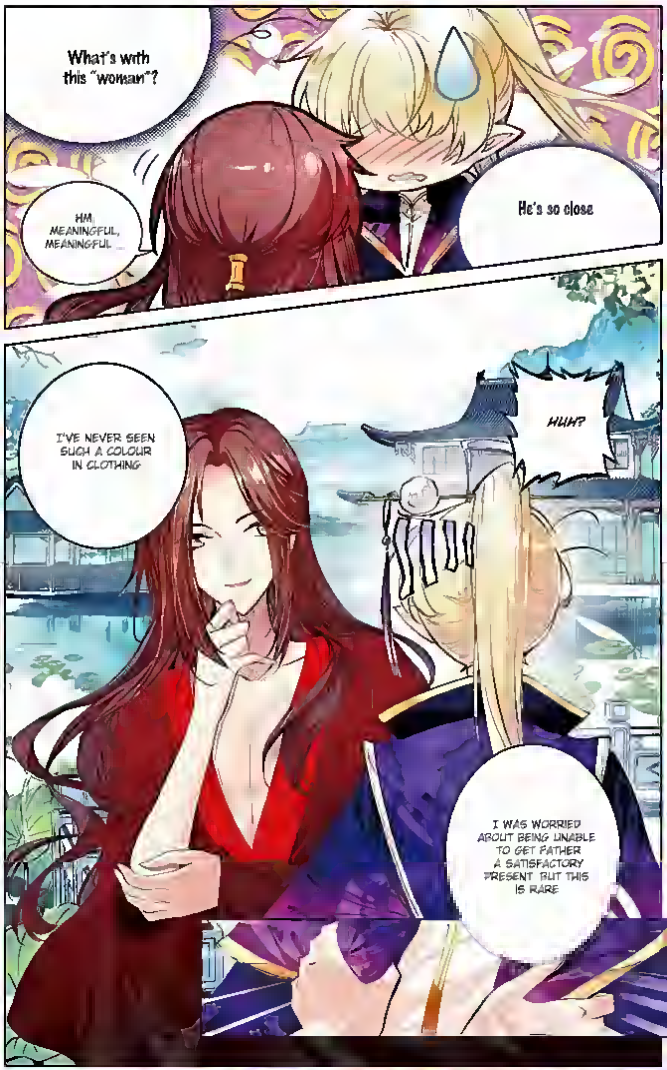
Afterwards, I always thought on the third day in the lunch of the palace, I should not have eaten that bowl of grilled meat.
If I didn't, I might not have been in that situation.
I remember that it was a bright sunny day, and the sun shone far away.
My accompanying lady-in-waiting said the garden had a jasmine moonflower that was rare and blossoming.
If Your Highness thinks well, we can go over and have a look.
So, I waved my fan and explored there.
The waters of the garden were shallow and the mountains fake, but the flowers and birds were beautiful, so playing around was quite fun.

SOX: 2015 TLE



Oh my, he's quite good-looking. He must be one of the ghost monarch's "Consort".
If that's the case, I must show respect.
NODS
LITTLE BROTHER,
WAIT!

COME, HOLD YOUR HANDS UP.
OH? OKAY.
TURN
>>
.....
THE COLOUR OF YOUR CLOTHING IS A LITTLE STRANGE
BUT IT'S QUITE PRETTY. WHERE WAS IT MADE?



What's with this "woman"?
HM. MEANINGFUL, MEANINGFUL...
He's so close
I'VE NEVER SEEN SUCH A COLOUR IN CLOTHING
HUH?
I WAS WORRIED ABOUT BEING UNABLE TO GET FATHER A SATISFACTORY PRESENT. BUT THIS IS RARE

DO A LITTLE GOOD FOR ME, LITTLE BROTHER, PLEASE SWAP THESE CLOTHES WITH ME

HOW HATEFUL! EVEN THOUGH I'M IN A MALE BODY, I'M STILL A VIRGIN GODDESS. YOU... COMING OVER AND GRABBING MY CLOTHES,
OWWW...
DARE YOU! IS A ROGUE ACT! HOW
DO YOU THINK I WOULDN'T DARE HIT YOU BECAUSE YOU'RE GAY?

In that struggle, we stood at the lily pond. The wind blew softly, and the lilies lit the air with fragrance.
